Here are some sample pages from the book, [Above the Lighthouses - Lake Michigan](#)

The first (facing page) shows one of the four index map pages, one for each state that borders Lake Michigan.

Following are a few samples of the two page spreads to be found in the 208 page book.

The book measures 10½x12 and has full color aerial photos of ALL the lighthouses on Lake Michigan with scenic area views of their locations.
